### Annual Report for the year ended 31 December 2023

### **Reference and Administrative Details**

The Bridport Team Ministry in the Benefice of Bridport was established in July 1979 in the union of four benefices in and around the town of Bridport. The five parish churches remain as parish churches of the new benefice. It is part of the Diocese of Salisbury within the Church of England. The correspondence address is The Rectory, 84 South Street, Bridport. DT6 3NW

Following the many consultation sessions in 2022 it was felt that going forward we would use the term 'The Parish of Bridport'. We are one parish, worshipping in six buildings, connected to each other as the body of Christ in this place.

Details of the Independent Examiner and main Bankers are contained on page 1. Additional advice is sought from the Diocese or, where appropriate, other advisors are consulted.

Bridport Parochial Church Council (PCC) is a charity registered with the Charity Commission; registration number 1133974. The PCC members are its Trustees, and so are responsible for delivering public benefit by serving the wider community. PCC members who have served from 1 January 2023 until the date this report was approved are:

### Structure, Governance and Management

The method of appointment of PCC members is set out in the Church Representation Rules 2022. All Church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC. The Parishioners Meeting and Annual Parochial Church Meeting were both held on 21 May 2023, in line with the requirements. An additional Parishioners Meeting was held on 19 June 2023, following the required notice period.

#### **Objectives and Activities**

Bridport PCC has the responsibility of co-operating with the incumbent, the Revd Canon Deborah Smith, in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the curtilage and glebe land of the six sites of St Mary's Bridport, St John's West Bay, St Swithun's Allington, Holy Trinity Bradpole, St Mary's Walditch and Holy Trinity Bothenhampton, together with the maintenance responsibility for the churchyard of the Old Church in Bothenhampton.

#### **Public Benefit**

The Trustees have paid due regard to guidance issued by The Charity Commission on public benefit. Further details of the activities identified in the Financial Statements are contained in the Review of the Year.

## **Volunteers**

Volunteers have a major role in the PCC and its activities, without which it may cease to function or its ability to be effective would be seriously curtailed. We are very grateful to the many people who help and assist in so many ways across the parish. We thank those who generously donate their time, ideas, expertise or resources including towards excellent fund-raising initiatives, as well as those who continue to oversee the governance or look after the finances.

## Annual Report for the year ended 31 December 2023

#### **Achievements and Performance**

#### Church attendance

At the end of 2023 there were 315 parishioners on the Church Electoral Roll. Attendance at church services has been more settled this year with the average Sunday attendance of 146 adults plus 5 children and young people.

- On Easter Day we had 306 attendees.
- o We now gather in a different church for a Parish Service of Holy Communion on the first Sunday morning of the month and have been averaging nearly 100 communicants on each occasion.
- o Carol Services and Christingle Services during Advent were held across the parish for the local community, Civic contingency and for the schools. A total of over 1700 people attended.
- Attendance numbers across the parish for Christmas Eve and Christmas Day were 447, with 252 communicants in total.
- o In 2023 we held 13 Baptisms, 6 Weddings, 92 Funeral services.

### PCC Review of the year

During the year the full PCC met on nine occasions with the Standing Committee met once during the same period. Significant events or initiatives were undertaken during 2023:

- O As a parish we worshipped together during Advent (2022) in St Mary's Bridport, promoted the study of one book (Sleepers Wake, by the Right Revd Nicholas Holtam) and met in mixed groups to discuss the material. A parish consultation about these changes was held and the agreement reached that our services together would continue monthly in 2023. Study books will be chosen for the Lenten and Advent seasons, and discussion groups arranged.
- The Town Council has coordinated the offers of 'Warm Spaces' in the town and St Swithun's offered Saturday afternoons during February 2023.
- o A Quiet Day was held on the Saturday before Palm Sunday; a new experience for many. The theme linked in with the Lent study book. (Lent in Plain Sight, by Jill J Duffield).
- O The creative thinking continues about the use of St Swithun's Allington for the wider community. Structural work is needed as soon as possible to make the building weatherproof, and to eliminate the extensive damp issues. Extensive conversations and thorough research are required so that it becomes a parish project supported by the other congregations and adapted appropriately for the needs of the parish.
- A Temporary Minor Reordering Licence was granted by the Archdeacon for the removal of the choir pews at St Swithun's, the Lady Chapel altar and newel post surround. Opening the central space to experiment with the lay-out for worship and other community events, will be ongoing through the 2023 2025 time period of the licence.
- Before Easter the Team Vicar moved to a new parish in Jersey to take up the role of Incumbent.
   The Assistant Curate completed her curacy in June and left to take up her new role in the Diocese of St Albans in the summer. For the time being the work with St Mary's School has been curtailed, until resources allow.

## Annual Report for the year ended 31 December 2023

- Following a couple of taster sessions a new monthly parish project was launched in September.
   Wild & Messy Church incorporates Christian teaching, environmental/creation elements, craft activities, worship and a meal eaten together. Volunteers from across the congregations have contributed to the success of this.
- o Terms of Reference were devised for each of the Sub-Committees of the PCC and leaders appointed for the 2023/24 year.
- o The Right Revd Stephen Lake led us in worship on Advent Sunday and opened the wider conversation about *Making Jesus Known*, the diocesan priorities for the next decade. The PCC had already begun to explore what that might mean for us in Bridport, alongside the Advent study book: *Stick with Love, by the Right Revd Arun Arora*.

#### **Local Church Sub-Committees:**

During 2021 the new governance structure was implemented across the parish and each local church has a sub-committee with the four core-members being appointed by the PCC to oversee the day-to-day activities of the local church and congregation. Reviewed annually, but four areas of responsibility are temporarily delegated by the PCC to each.

- Day to day care of the church building and churchyard
- Facilitation and practical preparation for services and occasional offices
- Organization and management of welcome groups and pastoral care at a local level
- Maintaining and developing the social aspect of the life of the church

In addition, the PCC has appointed **Parish Sub-Committees** for the various branches of church work in the parish. These sub-committees include persons who are not members of the PCC and work across the parish.

## The work of the Parish Sub-Committees:

ADMINISTRATION: Following the appointment of the Parish Health and Safety Officer he has reviewed and updated all the relevant policies and written Risk Assessments for church activities.

COMMUNICATIONS: A new website has been commissioned and work on cloud storage for parish documents is ongoing. We expect to be able to store all parish-related documents on a google-drive cloud, to improve efficiency, reduce duplication and remove documents from personal computers. Improving communications through other means will continue to be one of our priorities.

ECO CHURCH: The focus of this initiative (with its comprehensive remit of *Worship and Teaching, Buildings, Land, Lifestyle, Community and Worldwide*) have been adopted by each congregation in varying degrees of success. St Mary's Bridport have achieved a bronze award.

In addition, the group joined in with the town's Great Big Green Day in September and worked with the Community Orchard on the Churchyard Nature Count. Churchyard Management Plans were approved by the PCC for St Mary's Bridport and Holy Trinity Bradpole.

Eco-ideas appear regularly in both the parish weekly newsletter and monthly magazine to encourage our individual responses and lifestyle habits.

## Annual Report for the year ended 31 December 2023

FABRIC: Following the appointment of a small group to form the Fabric Sub-Committee, they are now charged with looking at all the structural and ongoing maintenance requirements of our churches across the parish. Thus, they can model the sharing of expertise and responsibility. Using the five-yearly Quinquennial Inspections reports as the benchmark the group have become acquainted with our different buildings. A major lighting project was approved for Holy Trinity Bradpole in addition to the other general maintenance items across the parish which required formal permission: replacement of guttering and the repair of a boundary wall.

FINANCE: An annual budget has been introduced to manage all income and expenditure. PCC meetings are timed to coincide with the collation of quarterly figures, so our discussions hold more meaning.

The PCC has responded to another survey from the Diocesan Board of Finance asking for our opinion about how future Diocesan Fairer Share should be calculated.

St Swithun's Allington joins St Mary's Bridport in the use of a new format for hiring out the premises, to continue the income source. Evidence of insurance cover, a safeguarding policy and risk assessment of activities, together with Registration as a Food Business if appropriate, are now required prior to any hiring agreement. The agreed template can now be rolled out across the parish.

GOVERNANCE: Oversight of the new local church sub-committees has taken place following their introduction during 2021. The format and delegated responsibilities were reviewed by the PCC in 2023 when the Terms of Reference were defined.

'Open Reports' (a precis of PCC business) are now published on the website following each PCC meeting to improve communication across the parish, whilst conserving trustee confidentiality.

At the APCM in May 2023 no-one was elected to the role of churchwarden, so an additional Parishioners meeting was held on 19 June 2023. A Churchwardens Team of four people were elected to work across the parish.

MISSION & FAITH: The name of a new sub-committee born out of the parish consultation around working together. The Vision group had been responsible for forward-looking plans, which are now held in this group. The Lent and Advent study material, Quiet Days and other spiritual experiences are initiated and co-ordinated here.

PASTORAL: Pastoral Care in the form of the LifeLine Bereavement Support Group is being offered monthly. A mid-week monthly Communion service in St Mary's has been established to keep those connected who find attendance on Sunday mornings difficult. Transport is arranged followed by refreshments and some simple singing/entertainment arranged afterwards. The Ukrainian Choir were invited one month, the local Sea-Shanty Singers another and we enjoyed communal Carol Singing another.

## Annual Report for the year ended 31 December 2023

LYME BAY DEANERY SYNOD: The Synod met on three occasions during the year.

- o Finance was discussed at the meeting in January where it was stated that only 87.7% of the Diocesan share had been paid. This was reflected in the Diocese being £1.4m in the deficit.
- Anna Hardy, a CofE employee, gave a lively talk on Parish Giving and the role of card payment machines. She stated that churches should actively ask for funds with some practical advice. Harry Neary is able to help with online payments if needed.
- o In November there is still much concern on the overdue proposals for amending the parish share calculations.
- o The July meeting was told that two churches within the Deanery are now marked to be closed, which will lead to a re-structuring of the Parish Share.
- o *Making Jesus Known* the diocesan priorities for the next ten years on which Bishop Stephen is focussed, needs planning at Deanery level.
- o The Deanery had a tent at the Melplash Show in August to raise the profile of local churches and it was thought to be successful.
- The January meeting considered the proposal for the amalgamation of the Bride Valley Benefice with Portesham, Langton Herring and Abbotsbury. (This has now happened and is called the Bride Valley and Chesil Benefice).

#### CHURCHES TOGETHER IN BRIDPORT AND DISTRICT:

- 2023 was a year of plenty of experiences of working together Ecumenically and began with an excellent Epiphany Carol Service hosted by the Roman Catholic Church but with all the member Churches participating.
- o The Dawn service on Easter morning was held on the East Pier at West Bay led in her own inimitable style by the late Coral Hatton. This year we had a fire pit which added to the atmosphere at daybreak. A good number of people gathered in Cherries afterwards for coffee and bacon sandwiches which was a great opportunity to celebrate the day of Resurrection.
- o Sea Sunday was kept on the second Sunday in July with an open-air service on Harbour Green.
- o CTiBD was also involved in providing the rest tent at the Melplash Show and the well supported Christmas lunch.
- The Bridport Nativity and the Community Carols on Boxing Day were also included in the year's
  activities as was the Lighting of the Christmas Tree on Advent Sunday at West Bay.
- We continue to be blessed with much support and encouragement and for that we give thanks to God.

Philip Ringer - Chairman CTiBD

## Safeguarding

- o This subject features as an agenda item at each PCC meeting.
- During 2023, we have implemented the Action Plan to review, and update the safeguarding policy, requirements and practice.
- We have been able to offer an introductory and refresher training on a regular basis within the parish. Most of those required to attend did so during the year.
- The Safer Recruitment process has been implemented for all new volunteers, and a review of current volunteer roles is underway.
- o Review of DBS checks are up to date and all checks on new volunteers are being completed.

## Annual Report for the year ended 31 December 2023

## Risk management

The managing trustees have considered the major risks to which the church is exposed and have established policies and procedures to manage those risks. The trustees consider that the risks of an accident on the premises or loss of reputation through the abuse of a vulnerable person on the premises, or during a related activity, are the major areas of concern, together with financial fraud.

The church has implemented Health and Safety policies and a Safe to Grow policy to safeguard against these. The policies are regularly reviewed in the light of changing government policy and issues of safeguarding and the recruitment of volunteers to work with children and young people, or vulnerable adults are under continued review.

The recently established Finance Sub-Committee continue to review all financial processes in the team, especially the interface between the local churches and parish and the standardisation of data collection and recording systems. Some recommendations for improvement and simplification have been implemented, and additional safeguards for financial security, including bank mandates, will be introduced where necessary.

#### **Financial Review**

The main source of regular income continues to be Gift Aided donations together with the related tax that can be claimed back. Income on unrestricted funds continued to increase between 2022 and 2023, although the number of regular attendees is still less than before the Covid pandemic.

Church activities, including various forms of fundraising, have also increased during 2023. In total the community events, lettings of premises, and fees for funerals and weddings have raised over £53,000.

One of the churches in the Parish was fortunate to receive a considerable legacy, and another church was very grateful to receive grant of £180,000 towards their Repair and Renewal Project from The Friday Charitable Trust in memory of the late Venerable John Livingstone, sometime Vicar of St John's Notting Hill, London. These have contributed to the positive income figures reported for 2023. The Parish participated in the Warm Spaces initiative and received a small grant to help with increasing heating costs.

The major regular expense is Diocesan Fairer Share, which mainly provides for clergy stipends, housing, pensions, NI and training. The 2023 total of £115,287 has all been paid. The additional legacy debt of £17,713 was reduced by the Diocese of Salisbury and has now been completely cleared.

The other main expenses for the churches cover the upkeep of buildings and churchyards, totalling nearly £69,000. In line with the national energy situation, the cost of utilities has continued to increase from £18,322 in 2022 to £21,695 in 2023. The Parish has also paid for the salary of the part-time Administrator, which together with other office and communication costs has totalled over £17,000.

During the year the churches have supported several community ventures and external charities by holding events and donating funds. The Bridport Food Bank is now well established as a separate

## Annual Report for the year ended 31 December 2023

charity and all regular donations and funds held by the Parish have been moved over to their bank account. The Parish, together with the Town Council, still has a Discretionary Fund to support refugees from Ukraine who are living in the Bridport area. The Bridge Magazine continues to be successful in covering its costs through local advertising and sponsorship.

The Accounts this year show a total surplus of £154,497 [2022 – a surplus of £93,629] before investment changes. The loss on unrestricted funds was £6,054 [2022 – a surplus of £80,993] due to the use of some of the deposits towards major expenditure. There was however an overall increase in the value of our investments by £35,028 due to market conditions.

### **Reserves Policy**

The Reserves are regularly reviewed. The PCC aims to ensure that sufficient reserves are held to meet anticipated expenditure, especially having regard for the age and condition of the church properties.

Within the team as a whole, reserves are at an acceptable level, but there is a wide variation between the local churches. Increased stewardship and active fund-raising will continue to be prioritised in 2024, but the rate of inflation and cost of living will have an impact on voluntary giving and the running costs for church and central PCC operations.

The total 2023 budget income estimate was exceeded by the actual income received, but as expected the 2023 expenditure was higher and has led to a deficit result. For 2024, this may mean drawing further on the reserves in hand and investigating other sources of funding to cover major expenses for the maintenance of the church buildings.

#### Investments

Material investments continue to be monitored to ensure performance against objectives. The majority of invested funds are with CCLA Church of England Deposit Fund, CCLA Church of England Investment Fund or with major U.K. based banks. The performance of our financial investments in the year gave rise to an unrealised gain of £35,028, [2022 – loss of £49,242] in line with market conditions.

#### **Related Trusts or charities**

Details of related trusts and charities are included in the financial statements. Additionally, St Mary's, Bridport and Holy Trinity, Bradpole both have a 'Friends of' charity which, although they are each a separate legal entity, support the work of the PCC and provide financial assistance to St Mary's and Holy Trinity respectively.

Approved by the PCC on 12 March 2024 and signed on their behalf by:

Revd Canon Deborah Smith (PCC Chair)

## Independent Examiner's Report to the Trustees of The Parish of Bridport

I report to the charity trustees on my examination of the accounts of The Parish and Benefice of Bridport (the Charity) for the year ended 31 December 2023.

## Responsibilities and basis of report

As the trustees of the Charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. Accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- 2. The accounts do not accord with those records; or
- 3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### Notes to the Financial Statements for the year ended 31 December 2023

#### 1a General information

The Parish and Benefice of Bridport is a charity, established on 2 February 2010 and registered under the name: The Parochial Church Council of the Ecclesiastical Parish of Bridport. The address of the registered office is provided in reference and administrative details. Details of the charity's operations are provided in the Report of the Trustees.

#### 1b Accounting policies

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are an informal gathering of Church members.

### **Basis of preparation**

The Parish and Benefice of Bridport meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### **Accounting convention**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

### Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

All incoming resources are accounted for gross except that there may be minor amounts of income received net of expenditure.

#### Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Tax refunds are recognised when the incoming resource to which they relate is received.

## Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### Investment income

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

## Notes to the Financial Statements for the year ended 31 December 2023

## 1b Accounting policies (continued)

#### Investment income

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

#### Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Grants and donations made are accounted for when paid over, or when awarded, if that created a binding or constructive obligation on the PCC.

The Diocesan Fairer Share is accounted for when due. Any share unpaid at 31st December is provided for as an operational (though not a legal) liability and would be shown as a creditor in the Balance Sheet.

Amounts received specifically for mission are dealt with as restricted funds.

### Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## Notes to the Financial Statements for the year ended 31 December 2023

## 1b Accounting policies (continued)

## Tangible fixed assets

Individual fixed assets costing £2,500 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Gifts-in-kind are valued at a reasonable estimate of their open market value on receipt.

## **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### Asset class

## Depreciation method and rate

Computers and printers

3 years straight line

An impairment review is carried out at each year end and any resultant loss identified included in expenditure for that year.

## Consecrated and benefice property

In so far as Consecrated and Benefice property of any kind is excluded from the statutory definition of 'charity' by Section 10 (2)(a) and (c) of the Charities Act 2011 such assets are not capitalised in the financial statements.

## Movable church furnishings

These are not capitalised. They are included in the Church's inventory. Insufficient cost information is available.

All expenditure incurred during the year on Consecrated or Benefice buildings and movable church furnishings, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

#### Investments

Investment properties are externally revalued every 5 years. All interim revaluations are carried out by the Trustees at the reporting date.

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and all deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

## Notes to the Financial Statements for the year ended 31 December 2023

## 1b Accounting policies (continued)

#### **Fund structure**

### Unrestricted funds

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

These represent the remaining income funds of the PCC and its churches that are available for spending on the general purposes of the PCC and its churches.

## Restricted funds

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Restricted funds are detailed in the notes to the accounts.

#### **Endowment Funds**

These are restricted funds that must be retained as trust capital either permanently or subject to a discretionary power to spend capital as income and where use of any income or other benefit derived from the capital may be restricted or unrestricted. Full details of these restrictions are shown in the notes to the accounts.

#### Financial instruments

### Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangement entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

#### Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transactions. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for similar debt instruments.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
